## The Role

The Service Navigator position is great for people with social service or social work backgrounds. The position involves support for diverse service users and complex problem solving to ensure people are connected to the right services quickly and easily and that barriers to service are reduced whenever possible. This is an exciting, fast paced and constantly changing position with service users needs changing from call to call, including:

- Connecting people to health and human services information and agencies
- Active listening, empathizing, validating and problem solving client needs
- Searching through 211 data to find the most appropriate information and referral for unique individuals (e.g. eligibility, geography, language of service)
- Advocating for service users who may be vulnerable due to personal or systemic barriers.
- Tracking callers needs through our business intelligence system to support 211 data

## Who Are You?

Service Navigators are highly trained and passionate about the people in their communities. They are:

- Problem solvers, able to make independent decisions quickly and under pressure
- Strong communicators both orally and in writing in English and French. Service Navigators express care and empathy at the challenging situations our service users face, are active listeners and concise and consistent communicators. French and English will be tested to ensure high quality service.
- Knowledgeable about the social service, nonprofit and charitable sectors
- Committed to anti-oppression, principles of diversity, equity and inclusion
- Proficient in technology and able to learn and adapt to new technical tools as they're developed
- Empathetic, open-minded and non-judgemental
- Adaptable and comfortable in dynamic, sometimes ambiguous and fast paced environments
- Enjoy working both independently and as a member of a team on new and existing services, and special projects.
- Degree or diploma in Social Services, Social Work, Psychology, or other related field
- Two years' experience (paid or volunteer) in the information and referral or related sector
